SOCIALISM? Yeegods! NOT SOCIALISM!
Not even on our doorstep! But, look what we’ve got! Not only do we already have Socialized Militarism, but now we have Socialized Capitalism!

Corliss Lamont, an American Patriot, born of Wall Street wealth, saw how Capitalism thwarts our Democracy.

He warned us of the danger:

“...it is easy to see that if the Capitalists can succeed in setting up themselves and their professorial benchmen as the sacred Priests of Economics, who alone know the inner workings of this abstruse discipline, then the person in the street will have no alternative except to bow down in awe before them and it would become all but impossible to develop a mass movement to change the existing order...”

Today, in 2009, 70 years later,

Corliss Lamont might quip:

“See, this is how Bernie Made-Off with your money!”

...but, Corliss,

NOW THAT WE, THE PEOPLE, HAVE LEARNED THIS TRUTH, WE WILL PROCEED TO MAKE CHANGES!
